The USA Luxury Shopping Consortium partners provide visitors with exclusive special offers, services and most importantly, experiences, at their locations, which encourage domestic and international travelers to include shopping as part of their travel itineraries. These services often include complimentary car service or valet parking, complimentary hotel package delivery, refreshments, fittings and alterations, beauty services, culinary tastings, gifts with purchase, personal shopping assistance and more. In addition, the Consortium partners will customize a half day or full day of shopping and culinary experiences for elite travelers by working with their travel advisor in advance of their visit.

The USA Luxury Shopping Consortium's elite services and experiences are promoted to travel professionals and media from around the world via trade shows, sales missions and digital campaigns. The USA Luxury Shopping Consortium partners are also official Lifestyle Partners of the Virtuoso Travel Network and are recognized as Preferred Shopping Destinations of Virtuoso, whose advisors service the most affluent, well-traveled individuals in the world.

"Travelers can often find the same shops and restaurants in their countries or cities throughout the U.S. and they can also choose to shop online." says Kathy Anderson, president and director of the Consortium. "That's why the USA Luxury Shopping Consortium centers and retail districts strive to offer unique benefits and services so that today's savvy travelers take home more than purchases, they take home a special memory of their shopping and dining experiences when visiting our destinations."
